

## COMP 4210 Presentation Assignments

**It's worth 50 points. Here's the breakdown:**

- 5 points for showing up at the appointed time
- 10 points for length. Aim for 15 minutes. No less than 10 will do
- 15 points for organization, appearance and composure. PPT not necessary
- 15 points for covering the assigned material
- 5 points for using and demonstrating examples that are not from the books
